

Dear Members

We are approaching that time of the year when we typically have our yearly lottery draw and we would be typically sending reminders for everyone to bring in their ticket stubs.

Due to this year being far from typical in so many ways, we have had to modify this seasons lottery.

To limit interactions with the public, keep everyone safe and meet the government requirements the following guidelines will be used this year.

- Every player that has paid the fundraising fee will be assigned a ticket number.
- No one will be required to sell tickets
- A list of all names and numbers will be published on our website
- Draw will be held on December 19<sup>th</sup> at 12 noon at Fleming Center Beamsville
- Draw will be live streamed on social media.
- Draw will also be video taped and made available on website
- No in person attendance will be allowed for the draw.
- All winning numbers will be posted on website
- All Winners will be contacted by phone and email that were provided at time of Registration

All information can be found on the West Niagara Web site in Lottery section

We wish everyone good luck and thank you for your understanding to all the changes this season
